

Customer Quotes on Return on Investment with UltiPro

“Compared to the service bureau, we are anticipating a hard-cost savings of \$400,000 over a five-year period. UltiPro’s predictable per-employee-per-month pricing has erased the sticker shock we had at month’s end with our previous provider.”

Sonny Ramdeo
Director of Payroll and Workforce Systems
Promise Healthcare

—One of the largest long-term acute care hospitals in the U.S.—

“In addition to offering unified HR and payroll, Ultimate has relationships with third-party providers that are allowing us to continue outsourcing processes at an affordable price. All in all, the savings are tremendous—an expected \$200,000 each year compared with our previous provider.”

Michael Bork
Corporate HR Manager
ICL Performance Products LP

—A leading manufacturer of fertilizers, industrial products, metallurgy, and performance products—

“Since rolling out Ultipro with SaaS, we are experiencing an annual cost savings in excess of \$500,000 through the elimination of service bureau fees, increased HR and payroll productivity, and faster and more efficient reporting.”

Dave Mahler
Vice President and Treasurer
Jacobs Management
—A family of diverse manufacturing businesses, with 1,400 employees in the U.S.—

“UltiPro helped consolidate our employee data, saving us approximately \$100,000 annually. Now it takes less time to manage these processes. We have freed up significant time in data entry because UltiPro easily integrates with our general ledger, automating the transfer of information.”

Sneha Patel
CIO
Covenant Retirement Communities
—A Chicago-based retirement community with 14 campuses across the U.S.—

“Our reduction in costs from using UltiPro with SaaS exceeds \$200,000 each year. Plus everyone in my department is functioning more productively and strategically since we deployed UltiPro.”

Kathy Milligan
Vice President of Human Resources
General Investment & Development Companies
—A privately held, diversified company with residential and commercial properties throughout the U.S.—

“With UltiPro, we are achieving our goal of \$1 million in savings over a five-year period. Plus, we can provide critical data to our leadership team on a monthly basis and on demand. Having control of our data gives us the flexibility and speed we need.”

Patrick Sterling
Director of HR/Payroll
Texas Roadhouse
—A casual dining restaurant chain, with more than 30,000 employees, that operates over 325 restaurants in 46 states—

“By automating our entire HCM platform with Ultimate’s unified, end-to-end solution, we anticipate the soft- and hard-cost savings to total approximately \$1 million over five years.”

Richard Martonchik
Manager of Human Resources Operations
City of Ann Arbor
—A city government in Michigan, with 1,000 employees—

“UltiPro has resulted in excess of \$150,000 per year in hard-cost savings and even more in soft-cost savings. Plus, we only needed about 60% of the funds that we had budgeted for the roll out of UltiPro because it went so well.”

Repps Galusha
Director of Information Technology
Wackenhut Services, Inc.
—A leading provider of security services to business, industry, and government agencies—

“In switching to UltiPro with Software-as-a-Service, we expect approximately \$850,000 in savings over a five-year period.”

David Ochoa
HRIS Manager
National Gypsum
—A developer and supplier of construction products with 2,600 employees—

“By serving as a central, online location for employees to view payroll information, UltiPro assisted us in migrating to a paperless payroll, and now we are saving \$40,000 annually in mailing costs alone.”

Karen Sones
Senior Vice President of Operations and Systems
First Horizon National Corporation
—One of the leading bank holding companies in the U.S.—
